

A 20-Watt Marvel

Sound**Power-20**
Portable Speaker

Good things do come in sleek packages.

Get surprised by the smashing 360° surround sound emanating from FINGERS SoundPower-20 Portable Speaker. With a window-shattering bass of 20 Watts suited for Indian ears and adorned with dynamic RGB lights, it delivers an incredible audio-visual experience. Equipped with a convenient carry strap, enabling you to take it with you effortlessly, wherever you go.

From home to the pool to the outdoors, SoundPower-20 makes an ultimate companion for every occasion.

SoundPower-20
Portable Speaker

Marvellous Sound. Powerful Deep Bass. 20 W

Engineered with dual sets of 2" full-range drivers, there are no compromises on acoustic performance. Whether you're a classical aficionado or a fan of new age pop, relish crystal clear sound and an EPIC 20 W of deep bass, that will have you singing along to your favourite tunes.

Portable Speaker

Grab and Go

Ideal for those who are always on-the-go, this speaker is your perfect companion. Its convenient carry strap empowers you to take your music wherever life takes you.

Sound**Power-20**
Portable Speaker

A woman with curly hair is seen from behind, dancing with her arms raised against a sunset sky. In the foreground, a black portable speaker with a colorful mesh grille is visible. The speaker has four control buttons on top and the 'fingers' logo on the grille. The background shows a blurred crowd at an outdoor event.

Solid 9 hours Playtime

Get ready for a night of music, fun, and groovy bass. With a substantial 3000 mAh battery, SoundPower-20 plays non-stop for 9 hours*, delivering uninterrupted, soul-stirring music.
